Letter from our POA President - Cindy Leising

Happy New Year to all our Residents and Guests. January officially begins the 2024 "Winter Season" and the park is busy with new arrivals daily. If you are a guest, please remember you must sign in at the POA office upon arrival. We welcome you and hope you enjoy your stay with us.

January also marks the beginning of many of the Activities and Events our park has to offer for your enjoyment and entertainment. I would be amiss not to also mention it is a time for the great escape from the cold Northern weather to our sunny Florida paradise. Volunteers are always needed and most welcome to ensure all these offerings are available for you to experience. There are signup sheets posted on the bulletin board outside of the POA office where help is needed. Please consider donating a few hours of your time to help.

POA elections are right around the corner in February. This year there are two positions to be filled. Please consider running for one of these open positions. Fred Myall will accept your application/resume if you would like to apply. Fred is in Circle B (B-32) at 32 Sand Pine Circle. He would like to receive them by January 15th.

May the New Year bring each of you wonderful health, happiness, and prosperity!

"CRITTER" of the Month

Scientific Name: Ceratopogonidae. Personally, being highly desired by mosquitoes, this CRITTER is certainly no stranger to me. I believe this is mainly because being O+ (blood type) I am not being discriminated against by any blood sucking creature in existence. Actually I am most sought after as the honored guest at any outdoor picnic or bonfire as I tend to keep the "bugs" off of the other guests. I know that this actually makes ME sound like I am the CRITTER of the month but you will soon find out that you are wrong about that. There are

more than 4,000 species of these blood sucking vampires globally and more than 600 of these are found in North America, primarily in Florida. I know this for a fact because I am a snow bird, therefore that makes me an expert on the subject! A little known fact is that Ceratopogonidae, both male and female, feed off plant nectar when I am not around.

I hope you find this educational as well as amusing and, **OMG...look, there are two No-see-ums now!**

CF BOOSTERS

Time is quickly running out for you to get your Booster Club Tickets for 2024. Buy a ticket for \$20.00 for your chance to win **CASH**. Drawings will begin January 6th and continue for 10 consecutive Saturdays. Tickets are available from the following sellers listed below:

Rich & Peg Vedder, Lee & Sue Reising, Jim & Dianne Newberry, Dan & Mary Lou Wood, Rich & Cheryl O'Brien, Fred & Barb Myall, Mike & Jan Semans, Tom & Debi Scott and Jerry Bowers. As always, half of the money raised will be distributed as prize money and the other half will support a project (yet to be determined).

Activities Committee Meetings

Thursdays • 11:00 AM • Card Room

(first meeting tentatively scheduled for January 11, 2024)

The Activities Committee will meet twice monthly in January, February and March. If you have a proposal for a new activity, join us at one of our meetings to present your proposal for the Activities Committee to consider. We welcome new ideas and we like to hear thoughts on making any of our current activities even better. Please call Debbie Owen at [\(217\) 821-8777](tel:2178218777) at least two days prior to the meeting to get added to the agenda.

Park Manager's Message – John Sims

Welcome to 2024. How time flies! I hope everyone had a great Christmas and New Year.

I would like to remind those who have a storage lot to please come to the office and renew your lease if you want to keep it. If you would like to be placed on the waiting list for a storage lot, please put it in writing and leave it at the office. The same goes if you want to make a complaint. Please put it in writing and give it to Patti or me.

I would like to remind everyone to please be courteous when using the washers and dryers. Take your clothes out when done so others can use the facilities. Also, please use the walk ways to the bath houses and laundry. Be considerate and don't cut through private property.

Property owners, please let your renters or house guests know to come to the office and sign in within 24 hours of arriving.

We want everyone at Camp Florida to be safe. If walking at night, dress with light reflective clothing and carry a small light.

If you need to make any corrections to your information in the members listing book, please get it to us by January 15, 2024.

Have a great winter season and if you need anything or have any questions, please contact Patti or myself. We want your stay here in Camp Florida to be enjoyable.

Lynne will try to answer any questions we may have while we have some fun exercising our mind and body.
